

Sabrina

You gave us your laughter,
You gave us your art,
A vision of beauty
An object d`art,

Your fur is perfection,
Full moon at night,
Your breath is sweet perfume,
Your voice, liquid delight.

Angelic Innocence,
Figure divine
Along with the billions,
I dream you were mine.

Limpid blue eyes,
Delicate Ears,
Merely your presence,
Removes all my fears,

Single red Roses,
Diamonds Galore,
Price Unaccountable,
You I adore.

Your tail soft as love,
Your hair white as snow,
Through all the Universe,
There's no other I know,

To match your presence,
To give forth your love
A goddess among us,
A moonlit night dove,

But who am I,
To say what is true
To even think
To approach you,

A nobody, a no-one,
Nothing, not there,
To give me a name,
Just wouldn't be fair,

For that existence,
Something that's there,
Someone to long for,
Someone to care,

Your successful, popular,
Friendships abound,
I'm just a nobody,
Not wanted around,

So what could I give you?
Nothing I art,
For nothing I have,
So I give you my heart.
