Can we be friends?

*How do I say
It has been so long
You're always there for me
But I feel there is something wrong*

*You and I are good friends
But we are from different points of view
You and I stand up for each other
You are like a brother to me*

*I have been scared to say it
Afraid to tell you I don't feel that way
I have not really understood
How to tell you I don't love you*
