

## **FISH!!!**

*Another little bad word said  
Before my fish hits upside your head  
A yelp and thud as you hit the floor  
I don't think you want to swear anymore*

*A single gasp from far away  
And off I am to save the day  
To save everyone from evil word's wish  
I use my faithful weapon, the Ka-Fish.*

**~Basil Carver aka LWKat~**
