~Two Men, One Heart~

*Maybe I should go
He isn't good for me now
I really thought I loved him
Today I can't see how*

*There was time when I might have
Back when the rangers were still young
I really thought I loved him
Even if he was more strict than fun*

*Dale however hasn't changed
Even after a year
He is there and he is my friend
And helps me laugh in the face of fear*

*I never realized how sweet his is
Like a lark when flying above
He is there and he is my friend
I think I have fallen in love.*

~Dilemma~

*Everyday I wonder
Every night I pray
To wake up in the morning
And live a different way*

*A year has passed and I'm not sure
Who or what I saw
But I guess I knew my mistake
The day I took her paw*

*For a woman to be so different
Than her husband in every way
It makes me wonder what was I thinking?
On that very day.*

*Well I guess I will not know
Until I am old and worn
Right now I am having a problem
For between two women my heart is torn*

*Tammy, what a sweet girl
So thoughtful and so kind
I wish so badly to have her
These days she is always on my mind*

*Maybe a divorce will be for the best?
But I am worried about Gadget too
She has been there even through the fights
I know that she has stayed true.*
