

~Love Sick~ Gadget to Chip

*Each time we are near I worry
That maybe you don't feel it too
And when alone I want to hurry
To convey how I feel to you*

*It is not easy to say
The things that are in my heart
I wish there was a different way
Because I can't seem to even start*

*Maybe if I tell you here
How I truly feel
Maybe you will understand dear,
that this feeling is real.*
