

Dedication: This poem is in dedication to my grandmother and grandfather, who lived 57 years married before my grandfather passed away.

### **The Promise**

*"I'll cherish you forever.  
Leave you, I would never.  
Please do not weep,  
My promise I will keep.  
For I've been with you,  
And I swear this is true.  
My love ends the day I die,  
And began when I said, 'I do'."*
