Song Version of My Friend

*I will not go
I will not leave you standing alone
I will hold on
Even after your gone from this world*

*I will not hate
Any of your mistakes
Because to me
You are perfect*

*You were always there for me
When I was so sad
You never abandoned me
When I was so mad*

*You and I we are two of a kind
Stuck together till the end of time
And we both can see, that it was meant to be
You are what a best friend can be*

*When I cry in the night you hold me tightly
When you yell at the top of your lungs I hush you
When we both have been hurt and we feel like dirt
We can lean on each other.*

*You and I we are two of a kind
Stuck together till the end of time
And we both can see, that it was meant to be
We are what best friends can be.*
